

Hall of Science Amateur Radio Club
Get Your Amateur Radio License
Garden School Amateur Radio Club

For interested people from grades 6 through Adult

Do You Want To:

- Talk around the world
- Talk with Astronauts
- Help your community in times of Emergency during earthquakes, hurricanes, tornadoes
- Serve as a trained Spotter for the National Weather Service

The Garden School Amateur

Radio Club in conjunction with the **Hall of Science Amateur Radio Club** will be holding a Technician License course where you can learn everything you need to earn your Technician (Entry Level) FCC Amateur Radio License. Depending on the class size it should take 9 classes to complete the course. The Technician License is your gateway to the worldwide excitement of Amateur

Radio... .. and you do NOT need to learn Morse Code!

Class Meeting Schedule

All classes will be held on Zoom starting at 18:30 and should end no later than 20:00.

Mon - 10/18	Sat - 11/20 @9
Mon - 10/25	Mon - 11/29
Mon - 11/01	Sat - 12/04 @9
Mon - 11/08	Mon - 12/06
Mon - 11/15	Tue - 12/07
12/08 or 12/11 (Test)	

What You Will Learn

- The exciting world of Amateur Radio
- Radio and Signal Fundamentals
- Electricity, components and circuits
- Antennas and Radio Propagation
- Amateur Equipment
- Licensing Regulations
- Operating Regulations
- Electrical Safety
- and much more!

The class is free but you will need a textbook (The ARRL Ham License Manual 4th Edition - Level 1) about \$30 on Amazon and the test will cost \$15.

We have limited spots for this class so please register soon. To Register or for Information please contact John Hale at kd2lpm@jrhaleteacher.me.
